

Vimeo: Adding Captions and Subtitles

1. Log into your **Vimeo** Account, <http://www.vimeo.com>
2. Select the video that you would like to add captions/subtitles to and then click the **Settings** button.

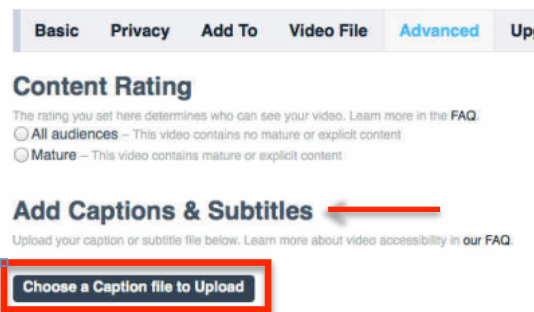

3. Next, click the **Advanced** link.

4. Under **Add Captions & Subtitles**, click the **Choose a Caption file to Upload** button. [NOTE: Vimeo currently supports SRT, WebVTT, DFXP/TTML, SCC, and SAMI files.]

Video Settings / Advanced

5. Once the file is uploaded, check the box to activate it. Uncheck the box to deactivate the file, or click the red x to delete it entirely.

Turning on Captions or Subtitles

1. To turn on captions or subtitles when viewing a video, click the CC button in the player's bottom toolbar. In the menu that appears, select the caption

or subtitle track you'd like to see.

2. When the video plays, the captions will overlay your video at the bottom of the screen.
